Car Care because we care

The Car Care Because We Care Program is designed to keep the primary family vehicle, of deployed or remote active duty Air Force members, in top running condition by providing preventive vehicle maintenance. This maintenance includes oil/filter change, lubrication, and vehicle safety checks on a grant basis. When performing this routine maintenance, additional repairs or services may be identified by the mechanic as urgent safety issues. In these cases, if families are unable financially to pay for those repairs, they are encouraged to return to the Airman & Family Readiness Section to discuss an interest free loan from the AFAS. The goals are to identify and repair problems before they become serious and more costly to repair. Eligibility criteria are: spouses of active duty Air Force members deployed away from their duty for more than 30 days; Spouses of active duty Air Force members assigned to a remote tour; and First Term Airman who complete a Personal Financial Management. Referral certificate must be issued. For more information call 481-6761.
